

## INFERNAL DAMNATION III

Arcane Promotions proudly present the third annual Infernal Damnation festival on 29<sup>th</sup> April at the Purple Turtle, Camden Town, London.

No introduction is needed for this years' festival headliner - the legendary Ancient Rites, performing this exclusive UK date supporting their new opus "Rubicon". Avulsed from Spain make a welcome return to the UK as main support act and adding their own brand of clinical brutality and aggression to the day.

UK majestic dark metal maestros DesolatioN once more return to London after their successful mini UK tour supporting Rotting Christ last year.

Arcane are proud to welcome to the UK for the first time from Houston, Texas the USA's biggest dark symphonic metal act Vesperian Sorrow. Expect something very special from this band!

Demonizer from Belgium once again return to the Infernal Damnation Festival with their bestial thrash attack.

Relative newcomers to the UK Black Metal scene the Worms of Sabnock have already gained excellent reviews and major interviews in the UK press, and Infernal Damnation is their chosen platform to continue their rise in the live arena.

Another act from Belgium the old school, well respected Black Metal warriors Iconoclasm bring their own brand of mayhem to the festival.

Opening acts Ethereal and Decapity are both rising names from the UK ranks and provide a perfect start to the day with their complementing styles of darkness and savagery.

There will be stalls, band merchandise and giveaways on the day.
